Stryker Nurseries,

ESTABLISHED, 1859.

Wholesale Trade List,

FOR FALL OF 1871.

...
FOR NURSERYMEN AND DEALERS.
...

Apple Trees and Evergreens, Specialties.

I OFFER my present LARGE STOCK of Trees and Plants, with the assurance that my best endeavors shall be used to please those who intrust me with their orders. EARLY CORRESPONDENCE and ORDERS are solicited. The utmost care is taken on my part to have articles true to name. The prices named in this list are for the quantities specified, but I will send 5 plants at the 10 rate; 50 at the 100 rate, or 500 at the 1000 rate.

In no case do we wish to supply long lists of selected varieties to nurserymen or others at wholesale rates. I reserve the right of selecting the varieties, which will consist of the leading and most desirable sorts, but I will give the purchaser his choice as far as consistent with my stock.

Parties who wish to assort and pack their trees at the nursery, to fill retail orders, will be furnished with materials and assistance at cost, but they must superintend the work. In packing, the cost of material only will be charged. No charge for delivering packages at our Railway Station, or Express Office, after which my responsibility ceases. Plain and particular directions should be given as to the route by which the goods are to be shipped.

TERMS OF PAYMENT:

My prices are TOO LOW to run risk of payment. CASH MUST accompany the order from unknown parties, or be received before shipment of stock. Send draft on New York. Post Office order, or registered letter at my risk.

If orders cannot be filled the money will be returned. As to my responsibility and ability to fill orders promptly and correctly, I refer to E. FOSTER, Bryan Bank, and A. J. TRESSLER, First National Bank, Bryan, Ohio.
